Any Policy issued will be a contract of indemnity designed to protect the insured from fortuitous loss directly and uninterruptedly resulting from defined happenings or conduct.

Manifestly it is not the intention of the insurers or the insured to cover the hazards of trading; to do so would be to translate the role of insurer into that of co-venturer with the right to participate in trading profits. This is a statement of intent and shall not be construed to broaden the coverage provided by the policy terms and conditions.

The attention of the Proposer is drawn of the Conditions Precedent to Liability contained in Lloyd's Bankers Policy, LPO 218.

We declare that the statements and particulars in this proposal are true and that we have not misstated or suppressed any material facts. We agree that this proposal, together with any other information supplied by us shall form the basis of any Contract of Insurance effected thereon and shall be incorporated therein. We undertake to inform Insurers of any material alteration to these facts whether occurring before or after completion of Contract of Insurance. Signing this Proposal Form does not bind the Proposer to complete this insurance.
